CLUB NOTES

POINT A GAME AND OVER CUP HURDLE

Since the last appearance of these Notes, on Boxing Day, our performances have been reasonably rewarding, allowing for the nature of the opposition and what was at stake. Coventry City, whose display at Deepdale was one of the best by a visiting side, fought hard and skilfully before going down by 2-3.

In the return match they were the more aggressive team on a skating rink of a pitch and deservedly gained revenge by 3-0, this being our first defeat in eight matches. Weak links in defence were tightened up for the succeeding game, with the result that we began the New Year with a 1-0 win at Plymouth.

This increased our return of points to one per match with 26 fixtures fulfilled, a much more pleasing record than the alarming one of only nine points when half way through this programme. Following are the comparative figures:—

	P.	*W.*	*D.*	*L.*	*F.*	*A.*	*Pts.*
Opening period	13	2	5	6	25	35	9
Revival period	13	7	3	3	22	18	17
	26	9	8	9	47	53	26

At this stage last season North End's much more impressive record was:—

P.	*W.*	*D.*	*L.*	*F.*	*A.*	*Pts.*
26	15	8	3	54	34	38

No hard thinking is needed to see where we have slipped up by comparison. Look at the difference in the goals against record!

CLUB NOTES—continued

In addition to improved results in the League, and with them a disappearance of the one-time fear of struggling in the relegation zone, North End are over the first Cup hurdle through beating the last surviving amateur club, Barnet United, by 3-2 in what proved to be a typical Cup tussle.

Possibly the cramped, confined North London ground and the terrific enthusiasm of "the natives" contributed to our embarrassment of having to fight tooth and nail for a late winning goal, which an opponent lucklessly scored against his own side in desperately trying to ensure a replay.

But the truth is North End had only themselves to blame for being in the position of having to scrap it out ding-dong style towards the finish of a hard struggle. Our idea was to deliver an early knock out blow and, with two goals scored in the first five minutes, that should have been the end of it.

Kendall drove home a free kick, Godfrey got a quick second. It should have been all over at half-time bar the shouting if subsequent pressure, with North End playing up that famous slope, had been turned into more goals. Instead of this three or four good chances were missed and we eased off a bit.

Little Barnet consequently turned round only two down and in rare fighting mood, recalling the valiant show put up by Runcorn when we went there as Cup holders in the third round of 1939 and were forced to go all out to win 4-2 in atrocious conditions. A Cup-tie is never lost until it is won . . .

Well, that certainly applied at Barnet. The amateurs reduced the deficit in the first minute of the second half and in the tremendous surge of effort and zest produced by this success they penetrated again six minutes later. It could have been spared if, once again, we had not lacked the killer instinct.

Our reward is the fourth round plum of a Lancashire "derby" at home in a repeat of last season's fourth round tie at Bolton—the seventh Cup game between Preston and the Wanderers in recent seasons. May the best team win—and may that team be North End!

KNOW YOUR TEAM 14. *Ian Davidson*

It is disappointing and regrettable that Ian Davidson, in the news this week with a transfer request which the directors granted, should wish to leave Deepdale. He could have become a valuable and powerful member of the side and a highly popular player if he had made up his mind to settle down here. The public had virtually forgotten about the unfortunate incident which led to Ian being dropped from the Cup Final team, the manager having no option in the circumstances, and one never heard of it being held against him: it was a closed chapter. But Davidson, by his long delayed re-signing and hankering after joining a Scottish club in the close season, had raised many doubts about his willingness to stay at Preston. Now he says he "wants away," and, when a position seems fairly adequately covered, as Davidson's is through our acquisition of Cranston from Blackpool in insuring against such an eventuality as this, there is no point in keeping a player wanting a move. During his two years and two months at Deepdale, after being transferred from Kilmarnock, Ian played in 67 League games and seven of last season's eight F.A. Cup-ties, being at left half in the majority of these matches. A naturally aggressive player he was at his best fulfilling an attacking role in a winning team, but, by his tenacity and determination in the tackle, had also often proved himself a doughty defender. Those long legs of his and keen eye for the ball many times came to the rescue.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

Spectators, particularly our Juvenile Supporters are requested to keep off the playing area. The practice of encroaching on the pitch can lead to incidents, which could result in the closing of the ground by the Football Association.

PLEASE SEE THAT THE PLAYING AREA IS KEPT CLEAR OF SPECTATORS AT ALL TIMES.

OUR VISITORS—*Bolton Wanderers*

Welcome to Bolton Wanderers, the perennial "Trotters" and our old and valued friends going back to before the Football League was formed—and that was as long ago as 1888. The Wanderers' origin, like our own, is shrouded by the dim past but far from lost in antiquity. Like Preston again, the proud Wanderers have left an indelible mark on soccer history by their achievements.

Our first meeting goes back no fewer than 80 years, to December 12th 1885, when —significantly in view of our Cup date with them at Deepdale a fortnight hence— we were paired at Bolton in an F.A. Cup-tie, which North End won by 3-2. Our next clash, two years later, was also in the Cup, but at Deepdale.

By now the renowned "Invincibles," who were the pride of Preston for so many years, had come into being, and the Wanderers were swamped by 9-1. It was a Cup Final season for North End. In the previous round we set up the record F.A. Cup score with a 26-0 win against Hyde; in the next Everton lost 0-6!

Have some sympathy for the Wanderers—these three wins occurred during a sequence of 43 North End wins, ending with a shock defeat in the Cup Final.

The Bolton club came into being as long ago as 1874. It was formed by young men associated with Christ Church Sunday School and known as "Christ Church" until 1877. The Wanderers were one of six Lancashire clubs, including North End, who were among the 12 founder members of the Football League.

Although the Wanderers have never been higher than third in the Championship, they had the satisfaction, on being relegated last April, of having been continuously in the First Division since 1935, when they scored 96 goals in a great promotion season, and they have won the F.A. Cup four times in seven appearances. They were the winners in the first Cup Final at Wembley, in 1923.

OLD FAVOURITES 14. *Joe Walton*

Joe Walton, signed on March 10th 1948 from Manchester United for what was then the considerable fee of £12,000, became a good North Ender—and is still one after having set himself up in the town in a business on his retirement. One of the smallest full backs in the game, he made over 400 League and Cup appearances in the Deepdale side through using to his and the team's advantage assets which one associates with defenders who are shrewd and polished rather than robust. He was light and fleet of foot and canny in his judgment. At first he was rather too easily beaten and not so hot with his head. He had a bad time in a match at Deepdale against Manchester United who were five up at half-time. True, Joe was a victim of poor covering, but he learned a lot from that drubbing and from his subsequent struggles. He put his knowledge to such good effect that he and Willie Cunningham became a full back combination comparable with some of the best in the club's history. Their selection for several seasons was automatic; yet he had his disappointments. Dropped as captain shortly before our record-making promotion run in 1950-51, in favour of Bill Scott, he was not recalled until March the following season. But he did not whine or press for a transfer. He rolled his sleeves up in the Reserves and his reward was great popularity and an ever-present record in the 1954 journey to Wembley. Blessed with a good positional sense Joe was at his best in intercepting; times without number he cut off danger before it could develop. He also became extremely difficult to beat at close quarters.

SUPPORTERS' CLUB NOTES

OLD TYME DANCING sessions on Monday evenings continue to improve in popularity but there is still room for plenty more. Members who like to dance and enjoy themselves when the Club is not overcrowded are encouraged to use the Club House on Monday, Tuesday and Wednesday evenings.

ARTISTES appearing this weekend are "Pen Ding" from China (tonight) and Gordon Lea—Blackpool's Ace Ventriloquist (tomorrow).

A "LADIES ONLY NIGHT" is being planned for a Tuesday in the near future.

IMPRACTICABLE TO RUN JUNIOR TEAM

It is regretted that the proposal to form junior football teams has proved impracticable. As the season is now half over it has been impossible to find a playing pitch and the strain on the Football Section Committee was proving too great. The position will be reviewed at the start of next season. In the meantime efforts are being made to form a team of members between 14-18 years old.

FOOTBALL SECTION

Arrangements are being made for a match against Middlesbrough Supporters' Club next Saturday morning. The football team will leave earlier than the main party of Supporters and members wishing to travel with the team and watch the match can obtain full details at the Club house.

The senior practice match cancelled last week owing to the pitch being flooded will be held tomorrow. The same arrangements apply as for last Sunday.

On Sunday, January 24th, the Club play School Lane Club at Willow Farm. A limited number of seats are available for spectators on the team coach. They can be booked at 1/- each.

FORTHCOMING TRIPS

MIDDLESBROUGH, January 23rd.—Coaches leave the Club House at 8.30 a.m. and the fare, including tea at Darlington on the return journey, is 22/-. Stand seats at 8/- each can be obtained.

NORTHAMPTON TOWN, February 13th.—Details should now be available in the Club House.

BOOKINGS for all the trips are made in the Supporters' Club on Friday evenings and home match Saturdays both before the game and afterwards until 5.30 p.m. The travel secretary (Mr. J. A. Dodd) can be contacted by telephone at Preston 53669 (Monday to Friday) and at Nelson 63425 (Residence).
